# Don't forget your tongue!

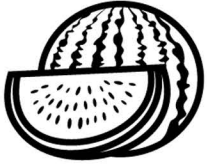

**We should brush our tongue every time we brush our teeth. Our tongue can have up to 20 billion bacteria living on the surface. Imagine if we didn't brush our tongue...that bacteria would keep growing!**

**Draw and color all the nasty bacteria on this tongue.**

# Feeling Hungry?

**Color and circle the healthy foods and put an X through the cavity causing foods.**

Watermelon

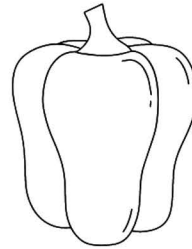

Ice Cream

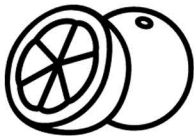

Donut

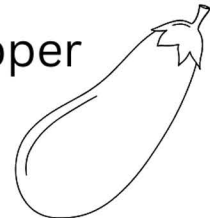

Broccoli

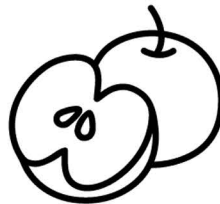

Bell Pepper

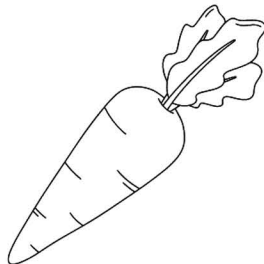

Orange

Eggplant

Apple

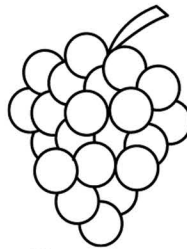

Carrot

Cake

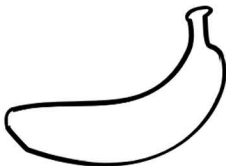

Water

Grapes

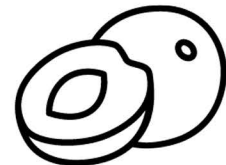

Hard Candy

Banana

Soda

Melon

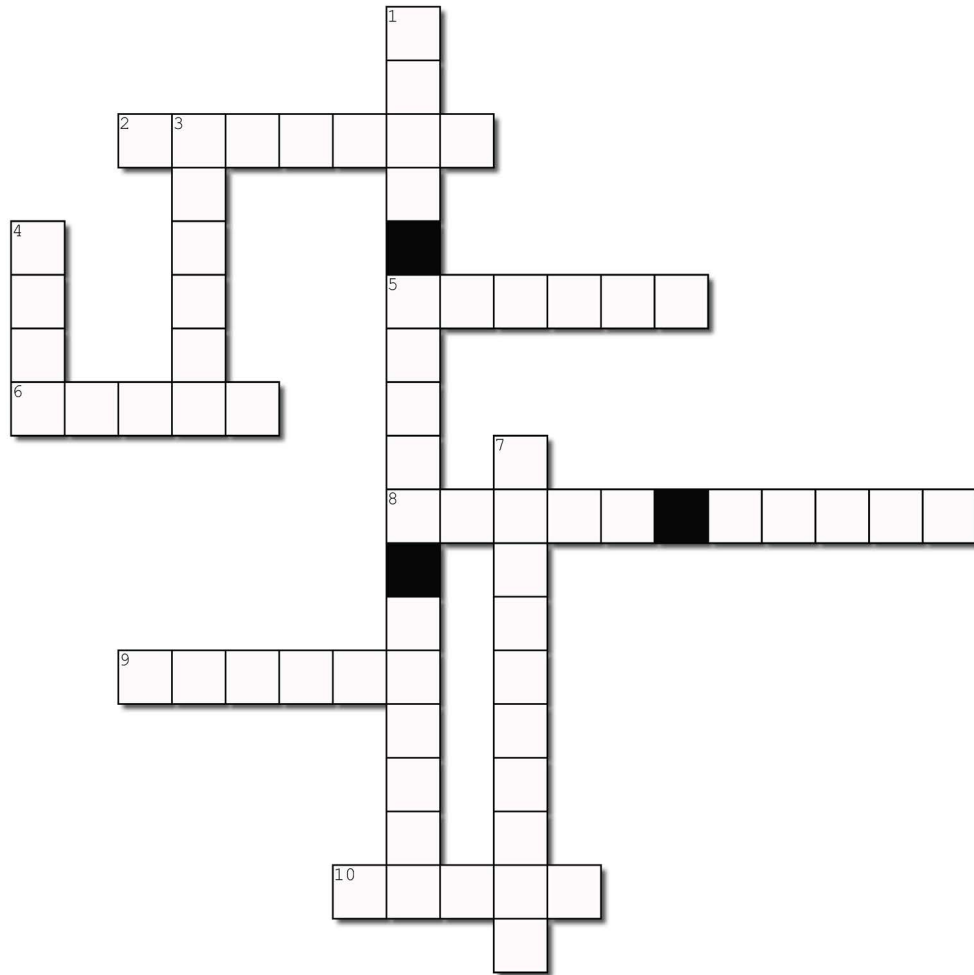

**Find the objects listed in the word bank below and color them**

# Flossword Puzzle

Can you help Tooth Fairy find her way to the tooth?

## Across

2. The person you should visit at least twice a year.
5. A hole in your tooth from damaged enamel.
6. When you're happy and you show the world your beautiful teeth.
8. She leaves a special surprise under your pillow when you lose a tooth.
9. Sticky buildup that sits on and in between your teeth.
10. The string you use to clean in between your teeth.

## Down

1. The place you visit for dental check-ups.
3. The hard coating on the outside of your teeth.
4. The pink tissue your teeth sit in.
7. You use this twice a day to clean your teeth and tongue.

# MONTH:

In the top left corner of the squares, write the date.

In the rest of the squares, draw a star each time you brush your teeth.
